

## WHO IS LISA ANN?

With deep experience in the fashion industry, Lisa Ann and her team of curated beauty and hair professionals (LASS) work with accomplished and aspiring career and second-act women longing to participate in a personal brand renaissance.

## WHAT LASS DOES:

Committed to your success and happiness, the LASS team provides total image transformation services to help you show the world what you feel in your heart and dream in your soul.

Comprehensive services include:

- Wardrobe Consulting
- Hair (cut & color)
- Skin & Makeup
- Portrait & Public Appearances Prep

## WHAT YOU'LL EXPERIENCE:

Breathing space to explore a personal image that reflects the important purpose you hold, and the confidence to display a more empowered sense of self. Now is the time to open the door and feel the light on your face. You wouldn't be reading this, right here, right now, if you didn't think you were deserving and ready for change.
